G.O.Ms.No.595 Dated 22nd May 1952

Read the following:

From the Chief Engineer for Electricity, letter No.7724 J/51-1 dated 3.4.52.

ORDER:

Under rule 70 (vii) of the Madras Travelling Allowance Rules, gazetted officers on transfer are allowed to claim railway fares by the lowest class for their personal servants subject to a maximum, on a certificate that the fare fares have been actually paid. The Chief Engineer for Electricity has stated that it has been found that in addition to the railway fare, the officers have necessarily to pay bus fare also for their personal servants for journeys of long distances by bus between their headquarters and the railway stations and vice versa -for example between Udipi to Mangalore (57 miles) Machkund to Bobbili (118 miles) and Ootacamund to Moyar (52 miles). He has therefore recommended that the bus fare actually paid by officers on account of the journeys of their personal servants may be allowed. The Government accept the recommendation of the Chief Engineer.

In exercise of the powers conferred by the proviso to Article 309 read with Article 313 of the Constitution of India and of all other powers hereunto enabling, His Excellency the Governor of Madras hereby makes the following amendment to the Madras Travelling Allowance Rules (Part II of the Madras Manual of Special Pay and Allowances, Volume I).

AMENDMENT

In rule 70 of the said rules, the note below clause (vii) shall be ~~xxxx~~ numbered as Note I and after that Note the following Note shall be added, namely:-

"Note 2. For journeys between places connected by a regular public motor service and unconnected by railway or partly by public motor service and partly by railway, actual bus fare by the lowest x class or actual bus fare plus actual railway fare by the lowest class as the case may be, will be allowed for personal servants on a certificate that the fares have been actually paid.".
